

EMU DESERT SERIES 2 FORWARD FOLD

CAMPER DESIGN & BACKGROUND

> DESIGN

This deluxe Forward Fold Camper is designed and built for the New Generation of Campers who want true off road versatility and an extremely Quick Erect Tent. A welded chassis and drawbar that are Hot Dipped Galvanised, along with it's full independent suspension and dual shocks will allow you to go anywhere your vehicle can go.

The 'Desert Series 2' Forward Fold is our latest new model HD Off Road Camper Trailer with Gas Certificate 4 burner stove, S/S Kitchen Sink with dish drainer, Ensuite, Toilet & Stereo System.

Perfect for a quick weekend away or head off around 'the big lap'.

> BACKGROUND

Rhys Jones owner of EMU Campers designed his first camper trailer back in 1969. It bears a close similarity to today's EMU camper trailers.

FEATURES THAT ARE INCLUDED

The EMU 'Desert Series 2' Forward Fold is packed with a wide range of features to make this upgraded model lack for nothing.

DESIGNED BY EMU

These impressive Campers are manufactured to our exacting specifications to ensure they perform 100% for you in our rugged Outback.

Interior storage cabinets & seating bases are made from steel/aluminium & not timber for durability in rough or corrugated road conditions & are not affected by water.

Enjoy your leisure time in a quick to erect, EMU Forward Folding Off-Road Camper.
